- Fast, easy access to short term accommodation options
- "All done for you" sourcing, booking & management service
- Includes access to our concierge help service throughout the stay

## PRE-HOME FINDING

*To help assignees choose an area to focus their rental search on when they are not familiar with areas in the city they are moving to*

### **BENEFITS:**

- Saves time & money
- By rapidly helping clients choose an area to focus their rental search on
- Provides independent, objective advice on a location that will fit the client's needs & budget
- Highlights the advantages & disadvantages of different location choices

## HOME FINDING

*To help assignees find the perfect rental home in the right location*

### **BENEFITS:**

- Comprehensive “all done for you” rental search service that saves time & money
- Makes the home finding experience a pleasure by eliminating stress
- Robustly represents renters' best interests
- Fast, efficient, professional

## MOVE MANAGEMENT

*To help engage the best trusted international moving company at the best price when relocating to a foreign city*

### **BENEFITS:**

- Guarantees best pricing from trusted movers
- Simplifies the whole process for the client
- Reduces risk of service failures by providing pro-active management
- Provides independent representation for the customer, not the mover!
- We represent you and your company, not the movers
- Saves time, money & stress

## SCHOOLING ASSISTANCE

*To help parents find the right schools for their children*

### **BENEFITS:**

- Helps parents navigate complex education systems
- Relieves parents' worries by helping them find the right schools for their children
- A quick and efficient process saving time & worry
- Provides independent, objective advice

## FURNITURE ASSISTANCE

*To provide comprehensive assistance with procurement of a suitable furniture package (rental or purchase)*

- Quickly advises on rental or purchase options
- Allow occupation of chosen property so saving client money on costly hotel bills
- Guarantees best pricing from trusted companies who bid competitively against each other
- Assures good quality furnishings

## SETTLING-IN ASSISTANCE

*To help assignees get fully established in their new home by providing guidance specific to their requirements*

### **BENEFITS:**

- Enables the family to get quickly & happily settled into life in the new location
- Targets their individual needs & interests
- Gives them easy access to tailored information & support
- Quickly acquaints them with all the new location has to offer
- Makes them feel especially cared for by their company

## ONGOING SUPPORT

*To provide a single point of contact and support throughout the assignment*

### **BENEFITS:**

- Enhances talent attraction & retention by making assignees feel highly valued by their employer
- Outsources time-consuming, burdensome lease obligations to local support experts
- Avoids embarrassment & costs attached to missing rent (& other) payments, dates & other renter obligations
- Saves money & time for assignees & HR professionals so they can focus on productive tasks
- Relieves everyone on the renters' side from the stresses attached to renting properties

## DEPARTURE PROGRAM

*To provide comprehensive departure assistance for the client*

### **BENEFITS:**

- Guides Assignee through the process every step of the way
- Manages deposit recovery and related issues
- Takes the stress out of lease terminations

# TENANCY AGREEMENT NEGOTIATION & MOVE-IN SUPPORT PROGRAM

*To provide renters & employers comprehensive assistance with negotiating and reviewing draft tenancy agreements*

## **BENEFITS:**

- Avoids renters signing up to unfair terms in a tenancy agreement
- Represents & supports the renter & HR through the negotiation & move-in process
